- 32** Hanging

# MODify<sup>®</sup>

Retail Merchandising System

## WHAT'S SO GREAT ABOUT MODify<sup>®</sup> ?

### ULTIMATE flexibility.

**SEG (Silicone Edge Graphics)** SEG fabric graphics enable you to easily replace your graphics improving the longevity and lifetime value of your frames and fixtures.

**Quick Ship** 7 days for most displays!

**Easy to Modify** with graphics and accessories.

**Simple Assembly** Associate level install.

## WELCOME TO MODify

The MODify<sup>®</sup> retail display collection is a one-of-a-kind system that features SEG fabric graphics, modular frames & customizable accessories which enable you to enhance brand messaging into retail environments with turnkey speed.

# IT'S NICE TO HAVE OPTIONS!

MODify® display systems provide lifetime value with the flexibility to customize your frame color, accessories, and SEG graphics to keep your retail space current and relevant with the season.

## Graphics

Vibrant, SEG fabric graphics offer the flexibility to incorporate any color, pattern, brand or message.

Easy fabric graphic install & changeout!

**Colors**  
Frames are offered in your choice of color.

## Accessories

Shelves, waterfall and faceouts can be mixed and matched.

# IT'S AS EASY AS 1, 2, 3...

## 01 Pick Your Base

Choose the kit you like & imagine the branding and messaging you can incorporate on the graphics! Choose from three color finishes for the kit – white, black or silver.

## 02 Design Your Graphics

The SEG fabric graphics allow you to incorporate any fabric color, texture (even woodgrain!) pattern, message or brand. Easily change for different messages and for the change of seasons!

**MODify**®

## RINSE. WASH. REPEAT.

New season, new brand, new look? Print new graphics and add different accessories to support your merchandising needs.

## 03 Accessorize

Accessorize with shelves, hang bars, slatwall hooks, faceouts, waterfalls, towel bars and more. Mix and match and maximize value.

## 04 Merchandise

Decorate with merchandise and start to sell!

**QUICK SHIP & SIMPLE ASSEMBLY. ASSOCIATE LEVEL INSTALL.**

# MODify<sup>®</sup> FIXTURE OPTIONS

Again, it's Nice to Have Options.

### COLOR FINISHES

The MODify™ Retail Merchandising System offers three metal powder coat finishes. Base kits come in one color for the frame, base, slatwall and included accessories. Optional accessories and fixtures are an ideal way to mix and match colors.

#### Additional Finishes

We can powder coat any color! With a bit more time, we can colorize frames and fixtures to your desired colors.

white

black

silver

### SEG FABRIC GRAPHICS

SEG fabric graphics are engineered for simple set up and changing out art graphics. This allows you to incorporate any color, pattern, message, or brand within the retail display. This keeps your retail space current and relevant to the season!

### WOOD LAMINATE COLORS

Our laminate wood tops for nesting tables and risers are quality crafted and available in four color options.

white

black

natural

gray

# BLAZE

## SEG Lightboxes

# HIGHLIGHTING BLAZE™

Blaze SEG Lightboxes transform environments by delivering extraordinary visual engagement solutions to inspire brand experiences and reinforce brand messaging with lifetime frame warranty, superior UL certified lighting and vibrant SEG graphics.

## Introducing BLAZE™.

The word says it all! Blaze SEG Lightboxes are the ultimate in vibrancy, quality, and durability. Blaze Lightboxes add life, color and illumination to retail environments, corporate interiors, and events, while elevating the brand messaging for the ultimate customer experience.

### What's So Great About Blaze?

#### NO SHADOWING

Unlike most other Lightboxes, BLAZE has **full perimeter lights**, virtually eliminating shadowing!

#### Simple assembly

Associate level install.

#### Longevity

5 year lighting warranty & lifetime frame warranty.

#### Quick ship

3 days or less!

### Frame

- wall: 4" depth
- freestanding & hanging: 6" depth
- your choice of White, Black or Silver
- lifetime frame warranty
- UL Certified
- ADA compliant sizing, approved for public spaces
- engineering stamps for Hanging Blaze available upon request
- made in North America

### Superior Lights

- light bars feature an internal power supply, which means no separate power supplies within the frame.
- perimeter lights are pre-attached to the frame
- UL Certified
- long life span—43,800 hours for 5 years if powered 24/7
- 5 year LED warranty

### Vibrant SEG Graphics

- your choice of materials: Backlit Textile (dye-sublimation printed) or Intensity (UV/LED printed)
- Backlit Textile is a tightly woven fabric that is slightly stretchy and washable; it is best for multiple uses.
- Intensity is a material that has a smooth, coated finish. The double-strike process creates vibrant backlit graphics.
- graphics printed & finished with state-of-the-art equipment
- superior color vibrancy, quality and fit

# BLAZE™ WALL MOUNTED LIGHTBOXES

## LONG-LASTING INVESTMENT!
